### Local and Miscellaneous.

Be sure to select music, when  
Of love and peace thou'st sweetly singing;  
But diamond be thy point, my pen,  
When crime's dumb bells are round thee ring.

Favor present indications Colorado  
will be "voted" a State this fall.

Turns are in the Keesee River region 24  
quarts mills, with 268 stamps.

Another large lot of mail arrived by  
yesterday's Overland Stage Line from  
America and Colorado.

INTERESTING matter about Mormon  
movements in southern Idaho (formerly  
northern Utah), is preserved for publica-  
tion at the earliest opportunity.

CAMILLE, of the role of a Coquette, is  
what's the matter around town. Every-  
body is on the go—to get somebody to  
go with them!

In Stockton, California, on the 1st,  
a Kanaka named John Wilson, married  
a Miss Upe Hon, a native of China. The  
Celestial bride by this time must be well  
nigh sandwiched!

MAGGIE MITCHELL was playing Fan-  
chon or the Cricket in New York, by  
last accounts. Wouldn't mind to have  
just such a cricket on our hearth, to hear  
the creature chirp.

THE Commissioner of Internal Revenue  
has decided that where a horse is kept  
for purposes of business, the expense of  
keeping him can be deducted from the  
income. This fact may be of interest to  
many of our citizens.

SERENADE.—Mrs. Julia Dean Hayne  
was treated to a charming serenade, at  
the Salt Lake House on Wednesday  
evening. The string band of the S. L.  
Theater turned out and discoursed de-  
licious arias, in compliment to this dis-  
tinguished daughter of the drama.

Those two "bogus coin" men, from  
Boise, who were hanged near Gibson's  
Ferry, en route to Montana, a few weeks  
ago, are now believed to have been whol-  
ly innocent. The inferior dust they  
had about them was elsewhere traded to  
them for first quality.

HELENA, MONTANA.—Miners and prop-  
rietors, in the Last Chance country, are  
specially directed to advertisement of  
Mr. G. B. Thomas, the popular repre-  
sentative of the Commissioner of the  
Visitation and Simpson, Helena City. He  
will treat you gentlemanly, be assured,  
even if you don't like him, and he is  
disposed to buy. Their assortment includes almost  
everything a miner or a mineress may  
want.

"OUR BOISE MAIL."—Referring to re-  
marks in a recent issue, about delay of  
our bundles of subscribers' papers en-  
route from Boise to Idaho cities, the  
Statesman and the Postmaster of Boise  
City severally have sent us satisfactory  
explanations of the mail arrangements  
between those points. Thanking them  
for their attention and exonerating them  
of blame, we will say, conclusively and  
"in conclusion," *errare est humanum*,  
which meaneth in Shesheo-say—"Be  
virtuous and you'll be happy!"

BUSINESS WITH A RUSH.—The go-  
ahead concern of Heller & Snyder, com-  
mission merchants, auctioneers, etcetera,  
is old and well known. One of  
your fossilized, old foggy firms, but keep  
pace with this fast age, and come off  
winner. A few days ago they had their ware-  
house crammed with consignments of all  
sorts of stuff, but all that is now sold out  
and another stock of sundries is being  
opened for a like result. Ergo, watch  
and secure your bargains. See new ad-  
vertisement.

NEW YORK CITY is probably the great-  
est agglomeration of wealth and pop-  
ularity in the world. The Herald says the  
vastness of the business of some of the  
wholesale firms can scarcely be compre-  
hended. From the internal revenue re-  
turns it appears that the last year's sales  
of H. B. Claflin & Co., dry goods deal-  
ers, amounted to forty-two and a half  
millions. A. T. Stewart, exclusive of  
his retail sales, aggregated nearly forty  
millions. Many other firms did business  
to the amount of one to five millions.  
On the other hand, the Times says there  
are thousands of poor people in New  
York without houses, or living in ten-  
ements not much better than hogpens.  
It demands no less than 30,000 new  
houses for the accommodation of this  
class of people in New York City.

CORRECTION.  
FORT GARLAND, C. T.,  
July 10, 1865.

MESSENGERS.—In your paper of  
June, I saw a piece where I and Mr. F.  
K. were married. Allow me to correct  
the statement. I was not married, nor  
intend to marry Mr. K., although he  
asked me twice. I can prove that the  
evening John Jones says we were married.  
I was taking guitar and French lessons.  
Respectfully yours,  
Annie P. S.

THE Salt Lake Herald is the only  
paper published in this city. It is the  
only paper that is published every day  
except on Sundays and holidays. It is  
the only paper that is published in this  
city. It is the only paper that is  
published in this city. It is the only  
paper that is published in this city.

COMPLIMENT.—We feel from day to  
day more highly complimented, by see-  
ing in the columns of the San Francisco,  
Sacramento, Nevada and other western  
papers, from one to half a dozen articles  
and items quoted from (and credited to)  
our "bulletin," "bullet" on the outpost.  
It looks as if those old great-masters  
meant to encourage us in the daily  
drudgery of sustaining a live paper. The  
S. F. Bulletin and the Virginia Enterprise  
of the 3d and 4th, each contains six or  
seven separate selections from and cred-  
ited to the VEDETTE.

DRAMATIC TREAT TO-NIGHT.—Great Salt  
Lake City is now favored with the finest  
talent that the most fastidious patrons  
of the drama could desire. We refer  
particularly to that pet of polite au-  
diences the world over—Julia, Dean  
Hayne. She will appear, as per adver-  
tisement, this Friday evening at the Salt  
Lake Theater, in her great character of  
Camille, supported by the popular tra-  
gedian, Mr. Geo. B. Waldron, and by the  
full strength of the Potter Dramatic  
Troupe, who, for years past, have had  
the presence of crowded audiences in the  
Pacific States and Territories. Miss  
Belle Douglas—a winning name and  
winsome actress, Mrs. Leslie, Messrs.  
Potter, Leslie, Mortimer, Graham,  
Shields, Taylor, and a complete cast,  
stock and supernumerary, will have the  
honor of entertaining two or three thou-  
sand of the grace and gallantry of Great  
Salt Lake to-night; therefore, our ad-  
vice is, go in time, go anyhow, and have  
your friends do ditto.

The stay of this fixed star among the  
"stars," and this star troupe themselves,  
possibly may be short, so let us take ad-  
vantage of the occasion as early and as  
often as we can.

MINING MATTERS.—E. K. Baxter in-  
forms us that one and one-fourth cords  
of quartz taken from No. 3 on the Bald-  
win Lode, situated in Russell Gulch,  
yielded thirty-six ounces of silver, worth  
in coin from sixteen to eighteen dollars  
per ounce, or five hundred and seventy-  
six dollars. This lode is a recent dis-  
covery, and the quartz was taken from  
the surface. This is certainly good en-  
ough.—*Col. Miner's Register.*

## Hearts and Faces.

Can you judge by a smile who is gay,  
Nor once he is misled by the token  
That I laughed aloud one day  
From a heart that was almost broken.

But my laughter rung false, do you say?  
Or tears followed very soon after.  
You are wrong; for I wept not that day.  
And my laugh was the merriest laugh-  
er.

That my grief was not deep you main-  
tain.  
Since I found it so easy to cover;  
But I tell you I writhed with the pain.  
And one writhes not when anguish is  
over.

For my own part, I scarcely believe  
That sighing can only mean sadness;  
And I wholly misdo not you receive  
That laughter must always prove glad-  
ness.

Are you sure it is grief when a tear  
starts?  
Can you trust smiles of mirth in all  
places?  
Mightn't be false than human hearts,  
It must surely be human faces!

WHAT kind of a hat is like a  
domestic animal? Black cat.

YOUNG man, never "go to the  
dogs," you may get bitten.

WHAT moon do most young lad-  
ies think sweetest? Honey-moon.

SHERMAN'S boys ought to be  
good bass singers; their voices  
have all been down to C (sea).

THE most delicate method of  
giving a lady a key to your feelings  
is to send her a lock of your hair.

AN unhealthy soldier entered a  
doctor's office. He advised him to  
take something. The doctor mis-  
sed his horse half an hour after.

TOM MOORE, who derived his  
pedigree from Noah, explained it  
in this manner: "Noah had three  
sons, Shem, Ham, and one more.

A writer, in describing the last  
scene of "Othello," had this ex-  
quisite passage: "Upon which  
the Moor, seizing a bolster full of  
rage and jealousy, smothered her."

Do not expect more in a woman  
than pertains to her sex, and you  
will find her as perfect and well  
suited to her sphere as the self  
styled "lord of the creation."

An agricultural society offered  
a premium for the best mode of  
irrigation, which was printed in-  
stead by mistake; whereupon  
an honest farmer sent his wife to  
claim the prize.

"Would I were a man!" ex-  
claimed a strong-minded woman  
in her husband's hearing. "Would  
you were, was his remark: 'for  
then I would never have been  
united to you.'"

# United States

## 7.30 LOAN.

### Third Series.

\$230,000,000.

By authority of the Secretary of the Treasury, the undersigned, General Subscription Agent for the sale of United States securities, offers to the public the third series of Treasury Notes, bearing seven and three-tenths per cent. interest per annum, known as the

## 7.30 LOAN.

These notes are issued under date of July 15, 1865, and are payable three years from that date in currency, or are convertible at the option of the holder into

U. S. 5-20 Six per Cent.

## Gold bearing Bonds.

The Bonds are now worth a handsome premi-  
um, and are exempt, as are all the Government  
Bonds, from County and Municipal taxation,  
which adds from one to three per cent. per an-  
num to their value, according to the rate levied  
upon other property. The interest is payable  
semi-annually by coupons attached to each note,  
which may be cut off and sold to any bank or  
broker.

The interest at 7.30 per cent, a-  
mounts to  
One cent per day on a \$50 note.  
Ten cents " " " \$500 "  
Twenty cents " " " \$1,000 "  
One Dollar " " " \$5,000 "

Notes of all the denominations named will be  
promptly furnished upon receipt of subscriptions.  
The notes of this Third Series are precisely  
similar in form and privileges to the Seven  
Thirtieths already sold, except that the Govern-  
ment reserves to itself the option of paying in-  
terest in gold coin at 6 per cent. instead of  
7.30-100 in currency. Subscribers will deduct  
the interest in currency on July 15th, at the  
time when the subscription.

The delivery of the notes of this third series  
of the seven thirtieths will commence on the first  
of June, and will be made promptly and con-  
tinuously after that date.

The slight change made in the conditions of  
this THIRD SERIES affects only the matter of  
interest. The payment in gold, if made, will be  
equivalent to the currency interest of the higher  
rate.

The return to specie payments, in the event of  
which only will the option to pay interest in  
gold be available, would so reduce and equal-  
ize prices that purchases made with a x per cent  
in gold would be fully equal to those made with  
seven and three-tenths per cent. in currency.  
This is

## The only Loan in the MARKET.

Now offered by the Government, and its superi-  
or advantages make it the  
Great popular Loan of the People.

Less than \$230,000,000 of the Loan author-  
ized by Congress are now on the market. This  
amount, at the rate at which it being absorbed  
will all be subscribed for within sixty days  
when the notes will undoubtedly command a  
premium, or at least uniformly better the case on  
closing the subscriptions to other Loans.

In order that citizens of every town and sec-  
tion of country may be offered facilities for tak-  
ing the Loan, the National Banks, State Banks  
and private Banks throughout the country  
have generally agreed to receive subscriptions  
at par. Subscribers will effect their own agents
